

Fun and Interesting Weather/Science Web Sites

NOAA Watch Page - <http://www.noaawatch.gov>

Storm Prediction Center - <http://www.spc.noaa.gov>

Northern Indiana Office - <http://www.weather.gov/iwx>

National Weather Service - <http://www.weather.gov>

NOAA Weather Radio - <http://www.nws.noaa.gov/nwr>

NWS Safety Page - <http://www.nws.noaa.gov/safety.php>

NWS Outreach and Educational Links - <http://www.weather.gov/education.php>

NWS Norman OK Weather Safety Page -
<http://www.srh.noaa.gov/oun/severewx/safety.php>

NWS Weather Glossary - <http://www.crh.noaa.gov/dtx/glossary.php>

NWS Satellite Page - <http://www.goes.noaa.gov>

NWS Radar Page - <http://radar.weather.gov>

NOAA for Kids - <http://www.education.noaa.gov/sweather.html>

Cool Color Satellite Pictures - <http://www.osei.noaa.gov>

Hydrometeorological Prediction Center - <http://www.hpc.ncep.noaa.gov> (lots of weather maps)

Become a storm spotter at home - <http://www.improvenet.com/a/become-a-storm-spotter-from-home>

Weather and Experiments for Kids

JetStream - Online School for Weather - <http://www.srh.noaa.gov/jetstream>

What's the Weather - <http://www.galaxy.net/~kl2/weather/index.shtml>

Web Weather for Kids - <http://eo.ucar.edu/webweather>

NWS El Paso Weather Experiments -
<http://www.srh.noaa.gov/elp/kids/experiments.html>

For Kids Only at NASA - <http://kids.earth.nasa.gov>

Science Central in Fort Wayne, Indiana - <http://www.sciencecentral.org>

More Experiments - <http://www.weathercation.com/teaching/experiments.html>

Weather Wiz Kids - <http://www.weatherwizkids.com/index.htm>

How the Weather Works - <http://www.weatherworks.com>

Reeko's Mad Scientist World - <http://www.spartechsoftward.com/reeko>

Exploratorium Museum of Science - <http://www.exploratorium.edu>

Earth Sciences and Weather for Educators

GLOBE Program - <http://www.globe.gov>

Earth 2 Class - http://www.earth2class.org/curr_units/index.php

The Science Spot - <http://sciencespot.net/Pages/classweather.html>

Indiana's Academic Standards and Resources
- <http://www.indianastandardsresources.org/>

Indiana Online Academy - <http://www.indianaonlineacademy.org/>

Resources on the Web -
<http://www.wef.org/LearnAboutWater/ForEducators/SupplementalResources/WebResources.htm>

Michigan Science Teachers Association - <http://www.msta-mich.org/>

Michigan Earth Science Teachers Association - <http://www.mestarocks.org/>

Hoosier Association of Science Teachers, Inc. - <http://www.hasti.org/>

Indiana Earth Science Teachers Association -
<http://www.purdue.edu/eas/outreach/iesta/>

The Ohio Earth Science Teachers Association - <http://www.oesta.org/>

Science Education Council of Ohio - <http://www.secoonline.org/>

College Sites

College of DuPage Weather Page - <http://weather.cod.edu>

Arizona State University Experiments - <http://chainreaction.asu.edu/weather/trythis>

Plymouth State Weather Page - <http://vortex.plymouth.edu>

Texas A&M Weather Page - <http://www.met.tamu.edu/weather.php>

Michigan University Weather- <http://cirrus.spri.umich.edu/wxnet>

University of Illinois Weather - <http://www.atmos.uiuc.edu/index.html>

Space Science and Engineering University of Wisconsin - <http://www.ssec.wisc.edu>

Valparaiso University Storm Chasing - <http://www.valpo.edu/student/vusit>

Climate Sites

Indiana Climate Purdue University - <http://www.agry.purdue.edu/climate>

Ohio Climate - Ohio State University -
<http://www.geography.osu.edu/faculty/rogers/statclim.html>

Michigan Climate - Michigan State University - <http://climate.geo.msu.edu/>
